### PURPOSE

The purpose of this policy is to outline the values of our school community and explain the vision, mission and objectives of our school.

### POLICY

Orbost Community College was established as a single entity in 2024 to serve the Orbost Community. We understand our learners and we are committed to creating a place they can call their own.

Our learners' experiences and outcomes are at the centre of Orbost Community College. We work together to provide specialised, individual, and flexible learning pathways – whether it be music or arts, sport, farming, automotive, or getting young people ready for the workforce.

Orbost Community College is an education hub for our learners, their families, and the broader community.

Orbost Community College is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Orbost Community College support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website, our staff induction handbook, student diary and enrolment/transition packs.
